EXPERIENCE

ProgressSoft Corporation Jordan (Remote)	Nov 2024 – Present
Associate Software Engineer	
• PayHub: Develop and maintain backend APIs and microservices for enterprise payment processing, including SWIFT integrations, Visa transactions, and ISO 20022 standards compliance in the MENA region. • Financial Services: Build scalable, secure services using Java, Kotlin, and Spring Boot following Domain-Driven Design principles for global banking clients.	
Foodeals Fez, Morocco	May – Aug 2024
Full Stack Developer Intern	
• Full Stack Development: Developed Spring Boot backend APIs and Angular frontend applications with responsive user interfaces. • DevOps: Containerized applications with Docker and managed version control with Git.	
ICF Communication Marrakesh, Morocco	Apr – Jun 2023
Front-end Developer Intern	
• Built responsive web applications using HTML5, CSS3, Tailwind CSS, and JavaScript with focus on performance and usability.	

EDUCATION

YouCode - UM6P Safi, Morocco	2023 – 2025
Software Engineering Diploma	
Ecotstig Marrakesh, Morocco	2022 – 2023
Software Engineering Studies	

PROJECTS

Klox — Java Interpreter Tree-walk interpreter in Kotlin (Crafting Interpreters). Variables, control flow, functions, closures, class-based OOP.
Clox — C Interpreter Bytecode compiler and stack-based VM in C. Tokenization, compilation, heap allocation, garbage collection. Tested with Criterion.
LinkUp — Friend Matching Platform Spring Boot + Kotlin backend (DDD, functional architecture), PostgreSQL, Docker, GitHub Actions CI/CD. React Native mobile app. Tested with Kotest.

SKILLS

Programming: Java, Kotlin, C/C++, Go, TypeScript, JavaScript, PHP
Backend: Spring Boot, Spring Data, JPA, Hibernate, Exposed ORM, REST, JEE
Frontend: Angular, React, Next.js, HTML5, CSS3, Tailwind CSS
Databases: PostgreSQL, Oracle, MSSQL, MySQL, MongoDB, Oracle AQ
Testing: JUnit 5, Mockito, Kotest, Criterion, Testcontainers, TDD
DevOps: Docker, Kubernetes, GitHub Actions, AWS, GCP, Linux
Architecture: DDD, Microservices, Functional Programming, Design Patterns

LANGUAGES

Arabic (Native) • English (Intermediate) • French (Intermediate)
